\* Alumni Band members are eligible to request one (1) member game ticket and one (1) guest ticket for the Homecoming game. Members may request and purchase additional guest tickets in the Alumni Band seating block directly from other attending members who are not using their guest ticket.

Using the [Homecoming Forum](#), alumni can work with other members to directly purchase extra guest tickets directly from one another.

If you want extra tickets, post a message to the forum with your request. Requesting members should provide their name, class years and specific request with a way to contact you online or offline, if that's not available via your online member profile.

**NOTE: The member purchasing the ticket from the WVU Alumni Band must be present to pick-up the ticket at Homecoming (Officers will not take part in any agreements between members concerning the exchange of tickets.). Any ticket not picked up by the purchasing member will be forfeited and distributed to members on the wait list.**

Adopted March 2013.
